OTHER INTERESTS

I truly enjoy coding as a hobby... But In my free time you can find me either skiing, hiking, floating down rivers, or discovering new breweries in the greater Denver Area.

WEB DEVELOPMENT EXPERIENCE

SKINNY GLOW LIPO - WEB DEVELOPER - JUNE 2017 - PRESENT

Freelance Web Developer for a Laser Lipo Startup
HTML5 - CSS3 - Bootstrap - Javascript - Sketch

PERFECTION SPA + POOL - WEB DEVELOPER - JULY 2018 - PRESENT

HTML5 - CSS3 - Bootstrap - Javascript - Sketch
Freelance Web Developer for a Denver Based Small Business

Web Development Expertise

Wordpress	Javascript	HTML5
Laravel	Express	CSS3
PHP	MongoDB	SQL
SQL	NodeJS	AngularJS

JR. WEB DEVELOPER - MJ FREEWAY

Sept 2017 - Dec 2017

HTML5 - CSS3 - cURL - Postman - Agile/Scrum

Jira/Kanban - salesforce - API's - Python

I was the single point of contact for all Web and Software developers who were integrating with the state of Washington's traceability software.

I assisted 3rd Party Developers with training, troubleshooting, and QA Testing our API (Leaf Data Systems).

Other Responsibilities: Documented all endpoints for the API, wrote the software test all 3rd party developers have to complete to receive a production API key, created tutorials for Software Engineers, wrote and screened Jira tickets, documented errors with each new code release for daily standup meetings.

EDUCATION

METROPOLITAN STATE UNIVERSITY OF DENVER

2014-2015 -- *Pre-Medical Studies*

Biology I+II, Physics I+II, Anatomy/Physiology I+II, Chemistry I+II -- 3.6 GPA

COLORADO UNIVERSITY OF BOULDER
